CESSNA  
CITATION CJ4

A WAY OF LIFE.

# B

## CESSNA CITATION CJ4

There is simply no better way to take in the astonishing beauty of the South Pacific Islands than from the repose of the Cessna Citation CJ4.

The most contemporary of its class, the Citation CJ4 offers added speed, range and cabin size over its predecessors setting it apart as one of the more versatile in the light jet category.

With capacity for up to eight passengers this functional aircraft will see you and your retinue from origin to destination in paramount comfort.

Having all essential amenities opulently catered for by this premier aircraft renders your only task that of sitting back, relaxing, and enjoying the wondrous vistas of the isles.
