THE HARVEST IS READY

TRANSFORMATION OUT OF TURMOIL  KIM PASSMORE

Try something for us: turn on your television, listen to the radio, open a newspaper...how long was it before you heard or saw something about the Middle East?

Chances are you didn’t have to wait long. The conflict and turmoil of the Middle East have saturated our media, inundating us with stories of persecution, murder, hatred, and desperation. Incredible tragedy, strife, and need are often overwhelming and paralyzing, leaving us wondering if anything can be done. The truth of the matter is that in the midst of this tragedy, God is moving, calling more Muslims to him than ever before. These trying times are an opportunity for us—the global Church—to rise up and meet these needs.

The Hope of the Nations Center in Beirut, Lebanon is uniquely positioned to do just that (see map above). Surrounded by Syria, Iraq, Israel, and Egypt, we are seeing lives transformed as refugees flock into Beirut in unprecedented numbers. Remarkably, one out of every three people in Lebanon is a refugee, with over 1.2 million Syrian refugees alone.* The need is great, but we serve an even greater God!

In this newsletter, we’ll focus on three lives that have been transformed both through our Hope of the Nations Center in Beirut, and through the training and discipleship programs we offer converts from Islam here in the US. These lives would not have been changed and brought from turmoil to transformation without your support, your prayers, and your partnership.

Being Discipled at the Center

“I became a believer through the Hope of the Nations Center and it has changed my life.

I heard about the center, and that it was a safe place to go. When I came I heard the gospel, the staff prayed with me and I gave my life to Jesus.

I’m so grateful to the men here who mentor me and help me to grow in my faith. I believe God has called me to serve Him and to reach others with the good news. I love telling everyone about all He’s done for me!”

Attended Cubs to Lions Training in May 2014

“Cubs to Lions changed my life. Since converting to Christianity I’ve struggled with reading and understanding the Bible. I also felt rejected and persecuted from my family and friends.

Since CTL I’ve been witnessing to my parents and approaching the Bible without fear and confusion.

You’ve helped me break the chains of my past, and understand who God really is through his Word.”

Received Healing and Salvation

“I left everything behind. My home was destroyed in Syria so we fled to Lebanon. I had a large tumor and swelling in my neck that was causing me great pain.

I heard about the Hope of the Nations Center from a neighbor. I came and received prayer and my tumor disappeared! I’ve become a Christian and with the help of those discipling me in the center, I am growing in my faith everyday and sharing the amazing things God is doing in my life!”
