

Reiki Circle

Setauket Neighborhood House

95 Main Street , East Setauket, NY

Once a month on Tuesday evening

7:00 PM to 8:00 PM

This circle will meet once a month, welcoming those new to Reiki and experienced Reiki practitioners as well. If you've never experienced Reiki, come and enjoy the gentle, rejuvenating glow of a mini Reiki session. The best way to understand Reiki is to experience it for yourself!

New or experienced Reiki practitioners can give and receive. A beautiful way to share your gifts .

Join our circle to practice, share and learn about Reiki. Get to know new friends and kindred spirits. As we join our positive energy and intention with Reiki, we experience an opening of hearts with feelings of oneness joy and peace. We awaken to a deeper state of awareness, inner wisdom and connect with our true nature.

"When you are in harmony with yourself, everything unfolds with grace and ease." Panache Desai
