WHAT DOES OUR GROUP DO WHEN WE GET THERE?

- When you arrive at 9:00 AM (Day) or 10:00 AM (Overnight), your group is to park in the front parking lot for day camp and proceed to the registration tent and for overnight camp by the Dormitory/Dining Hall. A staff member and the Nurse will greet overnight camps. Each camper day or overnight needs to be seen by the Nurse.
- After given the OK, Day campers will be directed to their first scheduled area. Overnight campers, after seeing the nurse, will take their items into their dormitory wings, quickly set up and meet outside. Each group will receive a schedule if applicable, will have a short orientation on safety procedures and will be introduced to their grade groups and sent to their first scheduled program area. For all groups, when it is time for lunch, please line up as a group outside with all the camper groups for prayer.
- If you have any questions or concerns during your camp week please see either Meg Neitz or JoAnne Carroll in the camp office.

Have a great week!!!!

See you at Camp!
