Hardy Mum Sale—\$6.00 each

Orders due—9/8 Pick up Saturday, 9/16, 8—1

Once again we have partnered with Kremp Florist for a Fall Mum Sale! With greenhouses in Churchville, PA, all Hardy Mums are grown locally and are of the highest quality available. Kremp Florist uses green cultivation techniques to minimize chemical use and their impact on the environment. Phenomenal performance and vivid unusual colors are what separate their locally grown mums from those seen at the supermarkets and big box stores. We are excited to offer our Carson Simpson families Kremp Florist's knock-your-socks-off hardy mums for an amazing value!
