adverb, adjective;
meaning twenty-four hours a day,
seven days a week;
continuous, without ceasing.

24/7 is usually meant to provide comfort and assurance that something is available to us anytime day or night.

However, for some of our neighbors, especially in Detroit, MI and El Paso, TX the phrase brings anything but comfort. For persons in underserved communities, **24/7** means daily living with little hope.

But through your support of the 'Gospel in Action—Detroit', and the 'Gospel in Action—El Paso (Rippling Hope initiatives) you can play a major role **24/7** helping rebuild and revitalize sections of these forgotten streets and neighborhoods. And more importantly you can revive hope for our neighbors in need!

To date, using available volunteers and resources, Rippling Hope has been able to assist our neighbors in practical ways such as:

Completing minor home repairs and installing new door locks so a widow could stop worrying about her safety.

Weatherizing homes to improve home comfort and reduce utility bills substantially.

Conducting neighborhood cleanups and vacant building board-ups that make entire neighborhoods safer.

And so much more!

*These are just some of the many ways that Rippling Hope has been able to ease the **24/7** needs in Detroit and El Paso.*

Since 2011, Rippling Hope has hosted over **1,700** volunteers that have given almost **59,000** hours of service. The volunteers have completed **2,850** projects on **1,350** homes and **8** local churches!

You can support the continued growth of this ministry by becoming a **24/7** Rippling Hope partner. With gifts of just **\$24** a month for 7 months of the year, you can join others across the country to bring

hope to our neighbors in need. **\$24** a month. **\$6** a week. Just **\$.80** a day. Small change that will make a big difference.
