a mess, early, vibe, quite malicious, the principle, reschedule,
nerves, spotless, upset stomach, catch up on my emails, brown bottle

Do you have a sister, yes but she lives in London,
are you sure you don't have a sister, chatting to cashiers,
don't want to produce content anymore, sociopath,
it's good for her and it's good for me

Is this your first time here, cool, so these are all the loose leaf teas
that we carry that we brew in a 12 or 16 ounce mug, and over here
we have tea lattes where we brew a tea concentrate and add either agave
or honey and steamed milk, and then we have chai lattes, Japanese matcha,
two pu-er teas and two oolong tea and kombucha as well

More people care more, piece about, my owner

Is this your first time here, cool, so our menu is two sided, over here we have all the loose leaf teas that
we carry that we brew in a 12 or 16 ounce mug, just organized by type, and then we make tea lattes
where we brew a tea concentrate and add either agave or honey and steamed milk, and then we have
chai lattes, Japanese matcha, two pu-er teas and two oolong tea and kombucha as well

Have you guys been in before, cool, so I'll just walk you through our menu really quickly, these are all
the loose leaf teas that we carry, just organized by type, and we brew those in a 12 or 16 ounce mug,
and over here we make tea lattes, you can really get any of these teas as a latte but these are some
of our more popular ones, so with these we brew a tea concentrate and add either agave or honey
or no sweetener at all and steamed milk, and then we have chai lattes, Japanese matcha, which is a
stone ground green tea, and we make that three ways, as a latte, and a shake, which is basically an
iced latte, or just traditionally with hot water, and then we have two pu-er teas and two oolong tea and
kombucha as well

Is this your first time here, ok, cool, so these are all the loose leaf teas that we carry that we brew in a 12 or 16 ounce mug, and they're just organized by type, and then on the other side we have tea lattes where we brew a tea concentrate and add steamed milk to that, chai lattes, matcha, two pu-er teas and two oolong teas and kombucha

Have you guys been in before, ok, so these are all the loose leaf teas that we carry, and then we make tea lattes where we brew a tea concentrate and add steamed milk to that, and then we have chai lattes, matcha, some more loose leaf teas and kombucha

Let me know if you have any questions

Great, so I'll just walk you through our menu really quickly, so these are all the loose leaf teas that we carry that we brew in a 12 or 16 ounce mug, just organized by type, and you can get those hot or iced, and then we make tea lattes where we brew a tea concentrate, really out of any of these teas, but these are the ones that take better to lattes, and then we add either agave or honey or no sweetener at all and steamed milk to that, and then we have chai lattes, Japanese matcha, which is a stone ground green tea, and we make that four ways, as a latte, and a shake, which is like an iced latte, just traditionally with hot water, and we also have an off-menu matcha that is matcha and water and honey shaken up with ice, and then we have two loose leaf pu-er teas and two oolong teas and kombucha as well, oh, that is just honey and steamed milk

Meeting, on the back of someone's fame, you are my right and left hands,
I definitely want to be there, Wednesday, a love letter,
weirdly formatted resumes, a tiny pony, as a set or individual embellishment,
how to write 300 words about a rasta bikini, didn't get a lot of sleep, overwhelm her

Frustration, power struggles, misunderstanding,
it's not a big deal, solution to a problem,
it resets itself, not the right time, my hurt pride,
why must all, it would be fine without,
money spent on nothing, idiot design, I don't know
what I have to read, find it hard to, melatonin,
swollen tongue, dill sauce, pickles instead of,
used to live in Chicago, baby fig tree,
immediate sensations, put me to sleep,
terrible job, unpleasant, happy about it,
a tear drop, room for error, why I want to be my own boss,
power, stop caring, keep my mouth closed,
totally neutral, perfect, a barrier, nothing affects,
crying on the, morphing face, a shitty day

Code was a let down, sliced finger, sliced thumb,
swollen toe, ugly outfits nice when, trying, unnecessary,
contemplative, Christian Instagrammers, front break gone,
isolation, contentment, more each day

Worked a double, in between a heart and a fern, a seashell,
abstract, don't want to think about it, smoked meat, special soup,
a treat, come say hi, with almond, with soy, do you have,
I'll be right with you, variations on nothing, empty words, cute blonde,
deficits in 19-, what are you talking about, what's the problem,
what's the history involved, a description, setting sun,
present the problem, what is it, milking it, does it to everyone,
not just you, whizzing by, iced, sorry, I have noticed that too,
LBD discount, three times a day

To people with my works the harsh kingdom of the Queen of Pentacles,
prescriptive media, a meteorite like a strawberry,
the bird's blood, yellow, gathered, lions in different mediums,
mute actors in plays, don't u feel like u can't speak sometimes,
Jill Santoro Pietro, unique eggbeater, it is no dream,
matsutake are growing on the belly of the mountain (Shigetaka)

Audio quality, that mix, some good stuff in the used section
but it's scratched, yeah, yeah, can you get these for me,
a cute ending, wasting time, 2 or 3 or 6, will it rain,
erotic fiction, I'm just getting started, I'm done, new age,
bad country, sense of place, auto-american, next yr,
it's crazy, all tapes, ooze or rip off, broken engagement,
freak out, trout board, duet, hand, two fingers, 3.75 to sit, pointless,
business class trips anywhere in the world every 3 to 6 months

It had turned into another monster altogether,
who's this, who's this, hello, I'd like to report an accident,
ok, my name is, actually, you have the wrong number,
oh is this 477, is this, who's this, then yes,
what is that, IDK, can you walk me through what you have,
I don't know, that's fine, they wanted them iced,
oh, we forgot to say, they taste great, thanks love,
said I could, say goodbye to, say thank you to,
who are these for, Irvington Country Club, used to be a lifeguard,
anyone for free, how much is this, what is it, pawning them off,
photoshoot, I like your shirt and your bag
