Come Back Home

CHORUS
G
C2
Em7
Come back home; You've been gone far too long; Forgive ness waits in this place

1. Never abandoned or forgotten, you are never on your own; You can't use up all this mercy;

Am7(add4)
Em
D2
C2

It's a love that won't let go.

2. Are you running from the safety of all you used to treasure most?
Do you find yourself pretending

things have turned out like you hoped? Yeah, yeah.

It's the strongest love, the greatest grace; Can you see mercy running?

Can you see mercy running?

Come back home; You've been gone far too long;

in this place you once called home.
