ALWAYS GOOD
Kathryn Scott and Mark Rainey

KEY C major

Verse 1:
F                      C                             G       Am
I will lean into your goodness when my heart is torn
F                      C                         G           Am
I will fall upon your mercy when my strength is gone
F                         C                   G                       Am
I will run into your faithfulness and there I'll take my stand

Chorus:
F        C                    G        Am
You are always good, You are always good
F         C                     G          C
You are always good, and your love endures

Verse 2:
F                      C                   G        Am
I will turn into your favour when troubles come
F                        C                    G                 Am
I will call to mind the wonder of the works you’ve done
F                        C                G                       Am
I will shelter in your promises and there I'll take my stand

Chorus:
F        C                    G        Am
You are always good, You are always good
F         C                     G          C
You are always good, and your love endures

Pre Bridge:
C                             G
In the morning I'll declare your love
C/E                                                     F
And when the night comes I'll sing faithful One

Bridge:
C                          G
Mighty, mighty, strong forever
C/E                   F                      C
You are my defender and my rock
Am                     C/G            G
King of Glory, thunderous mercy
C/E               F                      C
You are redeemer and my God
