Q3. Please list all of the agencies under the DME and the priorities and goals both set and met for those agencies for FY18 and to date FY19. Include any agencies added in the past year or planned to add for FY19 to the DME’s portfolio and how any of these changes alter the priorities of the DME.

Q4. In June 2015, the National Academy of Sciences released its five-year evaluation of public education in the District of Columbia under mayoral control. Discuss the DME’s efforts address each of the following three recommendations from the study for FY18 and FY19 to date:
- Recommendation 1: The District of Columbia should have a comprehensive data warehouse that makes basic information about the school system available in one place that is readily accessible online to parents, the community, and researchers.
- Recommendation 2: The District of Columbia should establish institutional arrangements that will support ongoing independent evaluation of its public education system.
- Recommendation 3: The District of Columbia’s primary objective for its public schools should be to address the serious and persistent disparities in learning opportunities and academic progress that are evident across student groups and neighborhoods, with equal attention to DCPS and public charter schools. To that end, the NRC Committee recommends that the city attend to:
  o Establishing centralized, system-wide monitoring and oversight of all public schools and their students, with particular attention to high-need student groups;
  o The fair distribution of educational resources across wards and neighborhoods;
  o Fostering more effective collaboration among public agencies and with the private sector to encourage cross-sector problem solving for the city’s schools;
  o Centrally collecting and making available more accessible, useful, and transparent data about D.C. public schools, including charters, tailored to the diverse groups with a stake in the system; and
  o Exploring measures to strengthen public trust in education in a diverse, highly mobile city.
