

LION PILOT OVERVIEW

LION Lion is a national pilot program of the Boy Scouts of America for kindergarten-age boys. The mission of the Boy Scouts of America is to help young people build character, learn citizenship, develop personal fitness, become effective leaders, and have fun in the outdoors. Cub Scouting is a program of the Boy Scouts of America for boys in the first through fifth grades. The Lion pilot is exploring the value of a Scouting program for kindergarten-age boys. (Boys must be 5 years old by September 1.)

OVERVIEW Lion is a family-oriented program. A youth and his parent or caring adult partner join Scouting together. A group of six to eight boys and their adult partners meet together in a group called a den. Dens will meet approximately twice per month. They have fun participating in den meetings and outings while making memories together.

PROGRAM The Lion pilot encourages boys to learn and explore through hands-on, high-energy activities. Adult partners take turns leading a den meeting or outing during the year. Most meetings last approximately 45 minutes to an hour; outings are slightly longer.

RECOGNITION Boys are recognized for their accomplishments as they work toward the Lion badge. The Lion badge is earned by completing five adventures. Adventures are completed during the den meetings and outings. When an adventure is completed, the youth receives a sticker to put in his *Lion Adventure Book*.

ADVENTURES

Lion's Honor	Pick My Path
Fun on the Run	Gizmos and Gadgets
Animal Kingdom	On Your Mark
Mountain Lion	Build It Up, Knock It Down
King of the Jungle	Rumble in the Jungle
I'll Do It Myself	Ready, Set, Grow

LEADERSHIP Den meetings and outings are facilitated by a Lion guide and participating parents. The Lion guide is an experienced Cub Scout leader. He or she will lead the first den meeting of the year. The Lion guide will help each adult partner lead one of the remaining meetings. The den meeting plans are provided in the *Lion Parent and Leader Guidebook*.

Adult Partner

The adult partner participates with the Lion in fun meetings and outings. He or she takes turns with other adult partners in leading a den meeting and/or outing.

Lion Guide

A Lion guide is a volunteer leader who provides direct support to your Lion den.

Cubmaster

The Cubmaster serves as the master of ceremonies for the monthly pack meeting. The pack meeting is an event where all of the dens in a Cub Scout pack come together for fun activities and awards. Lion dens usually attend only two special pack meetings to accommodate the earlier bedtimes of Lions.

DEVELOPMENT

The program materials were developed under the auspices of the National Council of the Boy Scouts of America and were based on years of experience in four pilot councils. The program was then modified by a development team, which included experts in child development and education working with the Boy Scouts of America. Collectively, this team had more than 75 years of volunteer service to Scouting and experience in education, including advanced work in child and curriculum development.

EVALUATION

Evaluations will be conducted throughout the year. Because this is a pilot, your participation is needed to provide feedback for program continuation or expansion.

To support the feedback, it is important to deliver the program as designed.
