

Daniel Morgan District Fall Family Campout 2017

Welcome everyone. Thank you for bringing your scout and family out this weekend to enjoy the outdoor experience with them. We have a lot of fun activities for them to take part in this weekend. The schedule is posted below for the weekend. Please remain on this as we will be running a tight schedule all day Saturday and Sunday morning. As you arrive there will be Boy Scouts/Adults to guide you through the unloading and check in process. At the info check in tent you should receive, 1 red/blue ticket per person, and a patch for every scout/sibling. Please do not loose these as they are all you will get for the weekend. After you check in and set your camp up please move towards the main flagpole atop the hill near the house for the opening ceremony at 10am SHARP. After this you will proceed into activities sessions. More info on the sessions will be announced at the opening. I hope you and your family enjoy this weekend as much as we had fun planning it. Please join us again at the Daniel Morgan District Spring Family Campout held next September 23, 2017 here at FENCE.

Yours in scouting

Johney Bonds & Rusty Daniels
