Dear Regatta Vendors,

Thank you so much for expressing interest in being a vendor for any of our regattas during the 2018 Spring Season. We greatly appreciate your interest in being part of the Regatta Experience for the incoming rowers and spectators!

Due to an increase in high caliber regattas and an increase in vendor requests, we will be accepting applications on a regatta by regatta basis throughout the Spring. All vendor applications will be posted on our website and will be regatta specific. Rules and Regulations for each regatta will differ due to the different needs and host organizations coming in, so please be sure to read each vendor contract and fill it out thoroughly.

Please check our “Vendor Information” section of our website on a regular basis to stay up to date with the upcoming regattas and contracts. A Regatta Calendar is available on our website if needed.

Please feel free to reach out to our Regatta Director, Sarah McAuliffe at smcauliffe@orra.org with any questions.

Thanks so much,

Sarah

PARKING
Each vendor will be provided access to enter the parking lot and proceed to the vending area (on the peninsula). Vendors may leave ONE (1) vehicle on the peninsula, and are able to move it if needed, but please limit driving as spectators will be around.

The majority of the vending will be conducted on the peninsula, on the pavement/ grass. Other vending areas may be available based upon regatta size and logistics. Vendors and exhibitors may NOT locate anywhere else in the Melton Lake area without express consent from ORRA. ORRA determines all vendor locations by placing a sign with the company name in the vendor spot. If vendors have any questions, they can find answers at the volunteer tent in front of the boathouse and when they enter the parking lot.

TENT RENTALS
Vendors may rent a tent from ORRA or provide your own. (please see page 5 for rental rates). However, please note, due to safety issues: Tents cannot be staked, but must be weighted.
ICE/WATER/ELECTRICITY

Ice is available for purchase at this regatta. Water is located on a hose on the side of the boathouse, located closer to the road.

Spider boxes are placed along the peninsula for vendors to use as needed.

If any of the above vendor rules are broken, vendors will not be accepted back for future regattas. ORRA has the right to deny any vendor for all hosted regattas.
