

ART MARKETING INTERN

Overview:

The Marketing Intern will learn about and participate in marketing campaigns from Annual Gallery Business Plan, including print and digital marketing, website and special events marketing.

Qualifications:

The applicant must be interested in pursuing a career in arts, marketing or communications. Prior experience desired but not necessary. Art or Marketing Majors. Junior /Senior level preferred.

Skills:

- proactive
- quick learner
- effective trouble shooting
- self-starter
- effective interpersonal communication skills

Duration/Schedule:

Flexible, upon agreement.

Terms:

This is an unpaid internship. However, the selected candidate will have the opportunity to learn about various possible career paths in the art world and get hands-on experience in marketing and art handling practices, which she/he could later apply to a career path. We encourage you to inquire from your department to find out how to qualify for school credit for this experience.
