

# Energy options for Independence

**Sat., Jan. 11 at 10 am**

North Independence Public Library  
Spring and 24 Highway

Energy issues facing Independence include:

- Older coal-fired plants
- Higher utility rates
- Energy options

Organized by Indy Energy, a community effort to promote discussion of energy issues in the city of Independence. Learn more at [www.indyenergy.org](http://www.indyenergy.org)

# COAL

Blue Valley Power Plant

Missouri City Power Plant
