</table>
• Voxopop is a fun, engaging and easy-to-use way to help students develop their speaking skills.

• It allows the educator to create a Talkgroup for your language class today!
Voxopop Talkgroups

• Like text messages, **Voxopop** uses voice rather than text.
• **Voxopop** may be used anywhere, anytime.
Public or not

• Talkgroups can be public, restricted or entirely private.

• Anyone can explore and listen to public discussions, but only users who have signed up can start or join Talkgroups, or join in on discussions.
You need to do this only once. Then use your Username and Password to continue using the program.
Sign Up

• Visit: http://www.voxopop.com/signup

• Fill in Required Details. Remember to select an icon (image) that represents you.

• You can modify your file later (password, icon, email address)
