Experiencing Jesus Christ Through the Outdoors

2016 Review

Amor Lake, Outbound Camp in July

Rock Climbing

Zao's new climbing program is running! We hosted these climbers at Comox Lake in July.

New for 2017!

In Partnership with Imadene Wild Side, we are offering an 11-day Guide Leadership Training course for teens! More info our website.

Intern with us!

Details on the web.

Three Years in and Growing

We are all about encouraging people to experience our living God through outdoor experiences. In 2016 we focussed on developing a highly capable team of guides who helped deliver five multi-day wilderness camps. This included backpacking trips in alpine areas of Strathcona Provincial Park (we now have a commercial permit for programs in the park), Cape Scott Provincial Park, and a canoe trip camp on the Sayward Lakes circuit.

We developed strong partnerships with other key local residential camps including Camp Bob and Camp Imadene Wild Side. Zao delivered backcountry-style camp experiences with these partners as well as outdoor education with the Adventure Discipleship Program at Heritage Christian Online School. If you would like Zao to serve your students or team in 2017, please get in touch with us! Our website and FaceBook page has more stories and updates. Check us out!

Cargo Trailer?
We are in need of a 5x10 cargo trailer. Have a lead? Please contact us.
