## **Detroit XPAC to Attend Crain's Detroit Homecoming Event**

Detroit XPAC, the political organization dedicated to electing public officials and supporting causes that will help to advance sustainable development in Detroit, would like to announce that the organization will be participating in the upcoming Crain's Homecoming Event from September 14 through September 16.

The Crain's Homecoming event will bring together over 175 expats from across the country. The event will showcase new and exciting developments in the city of Detroit.

"For a third year in a row, we are honored to be participating in this unique event that unites Detroit expats and Detroiters," said Detroit XPAC co-founder Julia Farber. "We are looking forward to participating in the invigorating conversation surrounding Detroit's newest opportunities, and contributing to future investments in the city."
