The studio is an emerging architecture and interiors practice from London and Paris, with a team of international designers to provide architecture, interior, installation, furniture, product and masterplanning design services. The Hong Kong studio was opened in 2013.

We are looking for motivated, creative and passionate **Architectural Graduate / Architectural Interior Designer (1-3 years experience)**, to work with us on some exciting projects in Hong Kong and China. Particularly, we are looking for a strong portfolio in interior design for retail, hospitality and residential projects.

For overseas applications, work visa can be arranged for successful candidates.

Roles & Responsibilities:

- Work on concept design, design development, technical design and tender documentation (A good technical knowledge is preferred)
- Produce drawings & layout by AutoCAD
- Produce 3D visuals

Requirements:

- Fluent in English and ideally Mandarin/Cantonese
- Outgoing, friendly, sense of team spirit, confident and dedicated
- Have a portfolio of individual design works and demonstrate strong proficiency in 2D drafting, 3D graphics in Rhino, 3DS or C4D
- Demonstrate strong proficiency in Photoshop, Illustrator and InDesign
- Good communication and presentation skills
- Able to work under pressure and meet deadline
- Willing to work overtime when required
- Immediate availability is an advantage

Permanent, 6 months or freelance contract negotiable
Full health insurance negotiable
