THAI YOGA MASSAGE

60 min \$95 / 90 min \$130

This ancient healing modality is sometimes referred to as "passive yoga." The massage is performed fully-clothed on a floor mat and incorporates elements of stretching, breathing, and acupressure. It is deeply relaxing and energizing and is a wonderful way to release tight muscles and restore range of motion. Please wear or bring loose clothing.

MEDICAL MASSAGE

We can bill your health insurance if massage is a covered benefit or if you have been in a car accident and are covered by PIP. Most medical massages require a prescription from a chiropractor or Primary Health Care Provider. We are in-network with many major insurances, but please call us before scheduling so we can verify your benefits.
