

Lunch Line Payment Method to Change for 2nd Semester

Beginning 2nd semester, in order to speed up the lunch lines, cash will no longer be accepted for meals and a-la-carte purchases. St. Catherine is using The Meal Magic Student Account System to manage student lunch accounts. This system allows parents to make deposits and view the student's purchases. Please visit <http://www.sendmoneytoschool.com> and create an account if you are a new customer or to add money to your existing account.

Effective 2nd semester, we will also take care of the online fees that the customer now pays for online deposits and a minimum of \$20 per deposit will also be required. If deposits are made online or to the drop box outside the Main Office by 7:30 a.m. the accounts are updated for lunch that day. When using the drop box outside the office, please be sure to note the students name, grade, \$ amount and student ID on the outside of a sealed envelope.

Please contact Trisha Joost at (262) 632-2785, Ext. 406 you have any questions.
