9.5 Theses on Art and Class Poster

\$10.00

[Add to cart](#)

Featuring critic Ben Davis' acclaimed *9.5 Theses on Art and Class*, our brand new poster is sure to start important conversations. Project Projects' bold design highlights this crucial exploration of the complexities and contradictions of class in the art world. What more could you want for your wall?

Two-color offset print on 80lb uncoated paper, 24" x 36"
