

Just imagine how far these typical Indiana kids would've gone if they'd participated in Afternoons R.O.C.K.

Students who participate in after school programs like Afternoons R.O.C.K., get better grades, achieve higher scores on standardized tests and feel a lot better about themselves and their future. Which means there's no telling how far you'll go, or who you just might turn out to be. Ask your guidance counselor for information on how to join Afternoons R.O.C.K., today.
