Office Systems Academy:

This Inner Circle or a la carte 3 day training we hold frequently in our Training Center just for our exclusive students and their team members. Our Inner Circle Advisers and the CT Homes team leads this training teaching students advanced deal evaluation, writing offers and dissecting our office systems. We also show the latest and best marketing campaigns CT Homes is using to drive in sellers and buyers as well as our latest money raising strategies. Our students get to see how CT Homes is implementing the systems they are learning at a much higher level. This is where the vision can come to LIFE!!

Probate System in Canada

Probate rules differ from state to state and country to country. Knowing the specific rules and regulations surrounding the probate system in Canada is critical to investors doing business. This revealing training will give you a good solid understanding of probates in Canada addressing topics such as:

- What is probate?
- When do you need to apply?
- How do you manually obtain the information you need?
- What information do you find in a probate file?
- How as real estate investors we can help with probate?
- Who are the players involved?
- Where to find probate locations?

[Mark Turner's Rehab Deal](#) JenMar Property LLC - Salem, NH

After attending the REO/SS Bootcamp, Mark & Jennifer purchased this foreclosure in a desirable neighborhood. They applied what they learned at that Bootcamp and completed a total gut job. If you ask them about any major lessons they learned, they would say to make sure you always research your contractors and manage them properly, from beginning to end. During this project, they'll be the first to tell you that they experienced, "the good, the bad and the ugly". Fortunately, all of their research and the education really paid off. In fact, they actually were able to sell the house for the full asking price during the first open house – just 48 hours after hitting the MLS. [...Read more »](#)
