

# APOPS POP Awareness Month Event Planning

There are two types of events to host, POP awareness events and awareness/fundraising events.

**Set a date:** Decide when and where your fundraising will take place. Remember to consider other events taking place at the same time.

**Decide what style of event to host:** Golf Outing, Walkathon, Classic Car Rally or Show, Motorcycle Run, Spa Night, Wine/Cheese Tasting Party, Karaoke, Luau, Fashion Show, Ladies Nite, Mommie Nite, or another style event of your own design! Register your event with APOPS through APOPS website at:

<http://www.pelvicorganprolapsesupport.org/contact/> .

**Select a location:** Have a Plan B, just in case of bad weather!

**If you are fundraising, set yourself target amount:** Let everyone know how much you want to raise.

**Spread the word:** Tell all your friends, family and colleagues about your fundraising to help you reach your target. Check out our fundraising materials on the POP Awareness Event Page, where you can find templates for a press release, flyers, and posters.

**Have fun:** Enjoy your fundraising; spending time with your friends, family and colleagues and feel good about all your hard work.

**Notify APOPS of your results and mail in the donations collected or send them online via APOPS Paypal account on our Donation page at:**

<http://www.pelvicorganprolapsesupport.org/make-a-donation/>

**Thank your participants and supporters:** A thank you letter template is available on APOPS POP Awareness Event Page.

**Let us know how it went:** We want to see your photos! Please take lots of photos and send them to us so we can share your energy on the APOPS website and in our social media sphere.
