HEALTH AND FITNESS: Although Dolce Vita Adventures are not too strenuous and we don't advertise as a "walking tour", **good health and walking fitness is absolutely required for full enjoyment.** All of our walks are "optional", but the walks in the marvelous Italian countryside as well as the walks on uneven cobblestone streets are an integral part of our varied itineraries. Additionally, Italy has numerous historical centers where busses and cars are not permitted. These lovely pedestrian zones are *where we live la Dolce Vita*. Walking to these town centers or bus parking lots, always carrying our own luggage (**ONLY ONE PIECE**), will be our only option. Therefore, **we accept bookings understanding that you are in good health and able to carry/wheel your own 1 piece of luggage.** If there is any doubt, it is your responsibility to provide us with a doctor's certificate approving your health and safety for the trip for which you have signed up. Please start a walking regiment 2 months pre trip.

INSURANCE: We advise all our travelers to take out sufficient travel insurance to cover cancellation, illness and accident. We recommend insurance for any personal belongings of value. We suggest www.insuremytrip.com, or similar websites for your needs and a perfect match. Please note that Dolce Vita Adventures will not accept financial responsibility for any loss or damage to your luggage or personal property, nor for any inconvenience, delay, illness, injury, or fatality suffered by you as a result of making a reservation, or during the trip. However, Dolce Vita will act as an ombudsman and translator on your behalf, as well as seek out all assistance necessary in any unplanned or emergent situation.

CODE OF CONDUCT: When traveling with DVA, you agree by signing this form to abide by the decisions of your Dolce Vita Adventures guide. If anyone behaves in such a way as to endanger the safety and welfare of the group, our guides have the right to ask them to leave the group, there will be no refund. We rely on you to act sensibly and prudently at all times and to comply with local codes of conduct and courtesy. You will indemnify us of all losses and/or damages arising from any act of misconduct on your part.

CANCELLATION OR ALTERATION BY DVA: It is unlikely that we will have to make many changes to your trip as we carefully plan and organize our schedules. We do, however, reserve the right to alter a tour itinerary, for example due to adverse weather or a (very Italian) strike.

I accept all the above trip conditions
