Sign up now for top-flight instruction from John Gant and his exceptional staff of teaching professionals and college players. We offer excellent camper-to-coach ratio.

At the Tennis Works Tennis Camp students will learn all the basic strokes and strategy appropriate to their level and development. The many drills and game-like situations will improve tennis skills, reflexes and conditioning.

Previous programs have been successful in improving players of every level and inspiring many towards successful high school/college tennis experiences. Students are grouped by age and ability to provide a great mix of fun, challenge and improvement.

Junior Camps

Quickstart: This camp is designed for our youngest players; those between the ages of 4 & 9. No previous experience required. Small nets and courts make the learning experience fun and exciting. Racquets available & for sale.

Beginners to Intermediates Camp: For those with no experience. Also players with high school C squad experience or JV experience. With emphasis on basic strokes, practice and play. Juniors that have had little or no instruction will find this camp a great fit.

Advanced/Tournament: This camp is for the committed tournament players and older players with tournament or high school varsity level experience.
