

# NINJA!

## THROW A NINJA PARTY!

### SNACKS

- **Make easy dessert “sushi”** by wrapping sweet toppings (e.g., chocolate sauce, peanut butter and jelly, marshmallow fluff, etc.) in tortillas and cutting into thick disks. Arrange on a plate and encourage Ninja guests to try serving themselves with chopsticks!
  - **Frost cupcakes** to look like Ninja masks or Ninja stars.
- **Cut out sugar cookies** using a gingerbread-man cookie cutter, and set up a frosting station where guests can decorate their own Ninja-man cookies.

### GAMES

#### • **Chopstick Pickup**

Place a collection of small objects (e.g., marshmallows, cotton balls, marbles, etc.) on a table or on the floor with two colored baskets or buckets. Separate guests into teams and give each team a pair of chopsticks. Rotating through the team members over the course of five minutes, see which team can pick up the most objects with the chopsticks and place them into their team’s basket.

#### • **Moves like Ninja**

Select one “Ninja Master” to stand at the front of the group and teach different Ninja poses, repeating “Move like a Ninja” with each different pose. Like the classic “Simon says,” if any player follows the master’s moves when “Move like a Ninja” wasn’t stated, that player is out of the game until the next round.
