Report on the Combined Financial Statements

We have audited the accompanying combined financial statements Northwest Health Foundation (the Foundation) and Northwest Health Foundation Fund II (Fund II), which comprise the combined statements of financial position as of December 31, 2016 and 2015, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Combined Financial Statements Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are

appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Northwest Health Foundation and Northwest Health Foundation Fund II as of December 31, 2016 and 2015, and the changes in their net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO COMBINED FINANCIAL STATEMENTS December 31, 2016 and 2015

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Northwest Health Foundation (the Foundation) was formed in October of 1997 with net proceeds approximating \$58,000,000 from the sale of the PACC Companies to Foundation Health Systems, Inc. and its subsidiary, QualMed Oregon Health Plan, Inc. The Foundation's mission is to advance, support and promote the health of the people of Oregon and Southwest Washington. The Foundation's programs include grant making, community outreach activities and policy advocacy.

Northwest Health Foundation Fund II (Fund II) began operations in 2003 to facilitate the establishment and management of donor advised funds and philanthropic partnerships which support and align with the mission of the Foundation.

Principles of Combination and Basis of Presentation

The combined financial statements include the accounts of the Foundation and Fund II. All intercompany transactions and balances have been eliminated. The Foundation is the sole member of Philanthropy Center LLC (LLC) which owns an office building in Portland, Oregon. The equity of the LLC has been included in the Foundation's investments.

Net assets and all balances and transactions are presented based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and Fund II and changes therein are classified and reported as unrestricted or restricted net assets. Unrestricted net assets are those that are not subject to donor-imposed stipulations. Temporarily restricted net assets are subject to donor-imposed stipulations that will be met, either by actions of the Foundation and Fund II and/or the passage of time.

Cash and Cash Equivalents

For purposes of the combined statements of cash flows, the Foundation and Fund II consider all unrestricted highly liquid investments with an initial maturity of three months or less at the date of purchase to be cash equivalents.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investments

- *Marketable Securities*: Investments in marketable securities are stated at current market value.
- Alternative investments: Investments in limited partnership interests and other equity securities have been estimated by management (in the absence of readily determinable fair values) based on information provided by fund managers or the general partners.
- Real Estate: The Foundation is the sole member of a limited liability company (LLC) that owns an office building in Portland, Oregon. The building was acquired by the LLC on February 29, 2008 (see Note 3). Investments in the building and improvements are stated at depreciated cost by the LLC.

Property and Equipment

Acquisitions of property and equipment in excess of \$1,000 are capitalized. Capitalized property and equipment are stated at cost or, if donated, at fair market value at the time of receipt. Depreciation of property and equipment is calculated using the straight-line method over the estimated useful lives of the assets.

Grants and Grants Payable

Grants payable represents unconditional grants that have been approved prior to year end, but remain unpaid as of year-end. Grant expense is recorded net of approved grants that have been cancelled or refunded during the year.

Contributions

Grants and contributions, which include unconditional promises to give (pledges), are recognized as revenues in the period the Foundation or Fund II is notified of the commitment. Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence or nature of any donor restrictions. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Conditional grants are not recorded until all conditions for receiving the grant have been met.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Contract Fees and Deferred Revenue

Contract fees are recognized as revenue in the period earned as the related services are rendered. Deferred revenue represents monies collected in advance for contract service fees.

Income and Excise Taxes

The Foundation is an Oregon nonprofit corporation, and is a public welfare organization exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code and applicable state law.

Fund II is an Oregon nonprofit corporation, and is a charitable organization exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law.

Some income received from investments in pass-through entities, resulting from activities considered not substantially related to the Foundation or Fund II's tax-exempt purpose, may be subject to reporting as unrelated business income. Taxes resulting from unrelated business income were insignificant to the financial statements for 2016 and 2015.

The Foundation and Fund II follow the provisions of FASB ASC *Topic Accounting for Uncertainty in Income Taxes.* Management has evaluated the Foundation and Fund II's tax positions and concluded that there are no uncertain tax positions that require adjustment to the financial statements to comply with provisions of this Topic.

Use of Estimates

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Foundation and Fund II have evaluated all subsequent events through May 24, 2017, the date the combined financial statements were available to be issued.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

9. RETIREMENT PLAN

The Foundation has a defined contribution 401(k) profit sharing plan which covers employees who meet certain eligibility requirements. Employees make voluntary contributions to the plan. The contribution rate approved by the board was 10% for 2016 and 2015, plus up to an additional 5% employer match dependent on employee contributions. The contributions to the profit sharing plan totaled \$123,915 and \$133,781 for the years ended December 31, 2016 and 2015, respectively.

10. LEASE COMMITMENTS

The Foundation leases office equipment under an operating lease through November 2017. Lease expense for each of the years ended December 31, 2016 and 2015 approximated \$11,700 and \$10,200, respectively. Future rents total approximately \$9,100 for the year ending December 31, 2017.

The Foundation and Fund II lease office space under a lease agreement through February 2018 from the Foundation's wholly-owned single member LLC that owns the building where the Foundation and Fund II are located, with monthly rent of \$20,369 (see Note 3).

The LLC leases office space in the building to other organizations. Lease terms generally range from one to five years. Minimum future rentals under noncancelable leases are as follows:

II. ALLOCATED EXPENSES

Costs of providing program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program services and supporting services based on estimates of employee time incurred and the usage of resources. Fundraising expenses are included in general and administrative expenses. The nature of the activities in obtaining contributions received by Fund II is driven by the donors who have sought out Fund II as an organization that makes grants. Fundraising costs totaled approximately \$69,000 and \$78,000 for the years ended December 31, 2016 and 2015, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

12. RELATED PARTY TRANSACTIONS

During 2016, there were three members of the Board of Directors or close relatives of Directors who were key employees of organizations receiving grants from the Foundation and Fund II. Grants to these organizations totaled \$35,000 during 2016. Additionally in 2015, there were five members of the Board of Directors who were key employees of organizations receiving grants from the Foundation and Fund II. Grants to these organizations totaled \$627,750 during 2015 of which \$575,000 was included in grants payable at December 31, 2015.

The Foundation invested in a fund that is managed by an investment company where a board member is the Chief Executive Officer. At December 31, 2015, this investment approximated \$73,000. The Foundation is no longer invested in this fund.

13. CONCENTRATION AND CREDIT RISKS

The Foundation and Fund II maintain cash balances in financial institutions. Balances in each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. To limit credit risk, the Foundation and Fund II place cash equivalents with high credit quality financial institutions. Balances in excess of insured limits totaled approximately \$2,332,000 and \$2,173,000 at December 31, 2016 and 2015, respectively.

Investment securities are exposed to various risks such as interest rate, market, foreign currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

The Foundation's contribution revenues are concentrated with approximately 28% coming from one source and 73% coming from two sources for the years ended December 31, 2016 and 2015, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

15. FAIR VALUE MEASUREMENTS

Assets and liabilities recorded at fair value in the combined statements of financial position are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets and liabilities.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets or liabilities in inactive markets.

NOTES TO COMBINED FINANCIAL STATEMENTS, Continued December 31, 2016 and 2015

15. FAIR VALUE MEASUREMENTS, Continued

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

Fair values of assets measured on a recurring basis at December 31, 2016 and 2015 are as follows:

There were no changes in the valuation techniques during the years ended December 31, 2016 and 2015.
