\* Prices subject to change with 30 days notice. Additional trip charge possible outside of the Denver Metro area. SCANNED square footage may be different from finished or total square footage. For instance you may want for us to shoot all the finished square footage, but only 600 square feet of the 1,200 unfinished basement. Add the 600 square feet to the finished square feet total for the SCANNED square footage.

\*\* Price is after credit for Platinum package if you select this as your Platinum upgrade option.
