GKF is a not-for-profit organization operating exclusively through charitable contributions and volunteers’ time and talents. Your donations help underwrite our costs to deliver various programs such as our Dano and Chuseok events. So please support us! Your gift will not simply be a much appreciated charitable contribution. It will represent your participation in the fulfillment of our mission.

To make a contribution, please visit www.gateway-korea.org/give

GKF events rely on volunteers for valuable contributions of time, talent, and expertise. We are always looking for people with a passion for, and interest in, Korean culture. For currently available volunteer opportunities, please visit www.gateway-korea.org/volunteer.
The Gateway Korea Foundation was founded in 2012 in St. Louis, Missouri.
