

Native Plant Society of Northeastern Ohio

2017 Grant Announcement

Application Guidelines

The Native Plant Society of Northeastern Ohio (NPSNEO) is accepting 2017 grant applications. We will consider projects that demonstrate excellence in research, conservation, or education that clearly support the mission and goals of the NPSNEO. The amount of the grant is \$500.00.

Our mission: To promote the study, appreciation, and conservation of the native plants and native plant communities of Ohio.

The Native Plant Society goals:

- to promote native plant conservation through habitat protection and other means
- to foster public knowledge and appreciation of native plants
- to support proper ethics and methods of natural landscaping
- to encourage surveys and research on native plants and publication of findings
- cooperation with other programs and organizations concerned with the conservation of natural resources

Application and Submission Requirements: Your application should include:

- contact information: name, phone number, e-mail, and postal address
- project summary; and
- outline how grant money will be used

Deadline for 2017 Grant Application submissions is 5:00 PM on 15 September 2017.

Grant applicants will be notified of their application status by Sunday, 15 October 2017. Public announcement of the grant award will take place at the 2017 NPSNEO annual meeting on Saturday, 28 October 2017. Those awarded a grant will be invited to attend the NPSNEO 2017 annual meeting to accept the award and asked to attend the annual meeting again the following year to give a brief presentation on the project.
