

THE ARRIGO PROGRAMME

THANK YOU FOR YOUR INTEREST IN OUR PROGRAMME

As a Subscriber to our newsletter emails, your privacy is important to us.

On the 25 May 2018 data laws are changing, so we would like to explain how we use your personal data and how it is stored. We are committed to protecting your personal information.

We follow three principles in line with the new industry standard safeguards to protect email addresses submitted to us to receive informational emails from our company :

Transparency - in informing Subscribers how we use and store their email address

Simplicity - how we inform Subscribers about our procedures and their choices

Control - Subscribers control if they wish to receive emails and if they would like their email address deleted from our database.

We assure you that :

Your email is stored securely on our Secure Database Server Account

Your email will be used for informational and promotional emails only

We do not sell or share our database with other organisations

You can unsubscribe at any time and be assured your email address will be deleted

Our Database staff member is subject to a Confidentiality Agreement.

For details of Mailchimp security and safe storage of database information for companies, compliance and certification, please read more at <https://mailchimp.com/about/security/>

We look forward to sharing news of our many exciting new projects and retreats with you.

Thank you for subscribing.
