Together, with your gift, we make MORE possible. We can help babies, children and adults with hearing loss or deafness and their families get

MORE education.
MORE language and communication.
MORE hearing healthcare.
MORE assistive technology.
MORE access to services and other resources.

MORE access to services is the goal no matter the individual's financial situation. And, we serve all who come to us for help – from babies to centenarians!

Our audiologists, speech-language pathologists and sign language interpreters are the best in the business. They understand the needs of people who have hearing loss, are deaf, or are culturally Deaf. They understand the research and science behind hearing loss and deafness, as well as the resulting communication challenges, and are experts for best practices in their respective fields.

After all, our programs are really about removing communication barriers for better human connections... leading to better relationships with family members, friends and others. We see what research shows time and time again – that MORE access to needed communication and hearing services improves quality of life, mental health and social well-being for everyone who turns to us for care.

With your gift today, HEAR Wisconsin can make MORE possible for our babies, children, adults and seniors.

Did you know that in just one year, we’ve jumped from serving 6,000 people to 9,000 people after launching our newest program last year, the Mobile Audiology Clinic (MAC)? On MAC, 1,856 children received free hearing screenings and hundreds of seniors received full hearing healthcare services. And, did you know that more than half of our patients and clients are from low-income households, are uninsured, or are on Medicare/Medicaid?

With your help, we anticipate serving more than 10,000 people in 2023!

Be part of Together, we make MORE possible through a gift to HEAR Wisconsin.

In gratitude,
Jill Van Calster
President and CEO
Samantha Bane
Board President

I wish to make a gift of:

- $1,000  
- $500  
- $250  
- $100  
- $50  
- Other: $__________

- Personal check payable to HEAR Wisconsin
- I wish my gift to remain anonymous
- I wish to be recognized as:
  - Name:
  - Address:
  - City, State, Zip:

Look! An easy way to donate!
Scan the QR code with the camera on your smartphone to donate online one time or to set up recurring donations. You also can go to our website at hearwi.org.

I want to help make MORE possible with a special capital campaign gift to HEAR Wisconsin!

Did you know that HEAR Wisconsin is currently undergoing renovation of its West Allis facility due to the sudden growth of its Audiology Clinic? The University of Wisconsin - Milwaukee (UWM) permanently closed their audiology clinic last June and asked HEAR Wisconsin to begin serving their patients at our clinic.

The collaboration project and subsequent renovation costs were not anticipated nor budgeted for this year. Therefore, HEAR Wisconsin initiated a special capital campaign. We hope to avoid substantial debt that will affect the already slim profit margin our organization typically experiences allowing our resources to continue to provide direct patient care. In the past four months, several foundations and individual donors generously helped us reach 65% of our campaign goal.

Will you consider a one-time special gift above your annual gift to HEAR Wisconsin to help cover the expansion costs?

- Yes! I wish to make a special gift to the capital campaign: $________
- I wish my gift to remain anonymous
- I wish to be recognized as:
  - Name:
  - Address:
