INTRODUCTION

Hi! I'm Sarah, and I'm passionate about capturing compelling moments and emotions in a visually unique way. As a motivated and creative photographer with a background in sports management, I am pursuing a career in sports media.

EXPERIENCE

OU ATHLETIC DEPARTMENT | MARCH 2015 - PRESENT

Staff Photographer shooting sports events, promotional photos, portraits, and other photo-related tasks. Rejuvenated BobcatAthletics' Instagram and served as the liaison between SIDs and the other staff photographers.

THE INDIANAPOLIS STAR | MAY 2017 - AUGUST 2017

Visuals intern shooting stills and video on deadline of news, sports events, profiles, and long-term stories. Completed a sports-feature package that was one of the Star's most-shared videos ever.

BALL STATE AT THE GAMES | AUGUST 2016

Traveled to Rio de Janeiro with Ball State University for the 2016 Summer Olympic Games to contribute photographs to stories documenting the culture of Rio de Janeiro, culture surrounding the Olympic Games, and profiles of specific athletes.

THE READING EAGLE NEWSPAPER | MAY - JULY 2016

Photojournalism intern covering assignments in sports photography, event coverage, and portraits, as well as archiving photos. Completed a photo essay and accompanying written story to fill two pages in the printed sports section, and wrote a column detailing some of my experiences at the Olympics in Rio de Janeiro, Brazil.
