## CLASSROOM NEWS

WOW! It is hard to believe it is June already! How fast the year went, especially these last few months. It has been a wonderful year teaching your children and getting to know all the families. As teachers, we look back on the year and think of how much the children have learned and grown. Some may be heading off to the wonderful world of Kindergarten ready for all the new challenges - we wish them well. If you are coming back to Playschool in the fall, we are excited to have you for another year of learning, crafts and fun! New themes and new friends await you.

## THEME OF THE MONTH INFO

In May we had fun learning about pond animals and insects as well as celebrating Mother's Day in our classroom. Our Music and soccer days were lots of fun, as well as our Pajama Days!! The kids also enjoyed having the Grade 1 & 2 kids join us for reading buddies.

In June we will be learning about life in the desert, celebrating Father's Day and winding down to our summer holidays. If you pop your head in the back door of our classroom, you will see that our butterflies have spun their cocoons and will be ready to hatch out in another week or so. June is a fun and exciting month for us all!
