

# DRAWING SPACE

Suzanne .k. Franklin

4 MAY - 30 JUNE 2024 | Mundaring Arts Centre

*Drawing Space* is an exhibition of works on paper that provides an experience of viewing that is unhindered by narrative. Each work depicts a sphere, or spheres, and a horizon line only, and they, along with the marks of the medium, become the tools with which to negotiate the complexities of space, time and the emotive power of colour and image. Conventional means with which to apply narrative are negated leaving nothing but a pure experience of what is before, the material substance of the work.

**Please note**, all works are Inktense pencil on 300gsm Artistic paper (100% cotton) unless otherwise noted. All dimensions include frames.
