### Bob's Steak & Chop House

### Bob's Steak & Chop House

A nationally renowned steak house specializing in the finest corn-fed, Midwestern prime beef. The menu formula is simple: incredible meat, gigantic shrimp, fabulous salads and decadent desserts. Classic steak house food prepared and presented in a manner that Bon Appétit calls "the kind of fare you'll want to go back for again and again." Quality and service are two of the main ingredients that make up the culture. Because of the caliber of the product, servers exude a friendly confidence that charges the atmosphere and restaurants with vitality. Award-winning food, educated service and warm, classic décor make dining at Bob's Steak & Chop House an outstanding experience.
