## Residential donations

---

\* We do not have the capacity to take an extremely large amount of any of these items. If you have more than about 3 laundry baskets full, for example, please let us know so we can plan, etc.

\* If you have materials not on this list, let's chat about them.

\* If you bring materials not on this list without a conversation ahead, we might not be able to accept them and we may suggest you try to donate elsewhere (thanks for understanding this!)
