RECENT EXPERIENCE

Pinterest — Product Design Intern

2016 / SAN FRANCISCO, CA

Worked on the growth team to increase Pinterest signups and expand the user base in international markets.

LinkedIn — UX Design Intern

2015 / SUNNYVALE, CA

Redesigned the messaging platform for LinkedIn Recruiter and helped design a recruiting microsite for the User Experience Design team.

Wavelength — App & Branding Designer

2015–2016 / PITTSBURGH, PA

Created the UX, UI, and branding for an iOS and Android app that aggregates songs people have in common on their music playlists.

1185 Design — Design Intern

2014 / PALO ALTO, CA

Worked on all stages of branding projects, including user experience research, wireframes, and designs for global companies and institutions.

AWARDS

AIGA — Design Excellence Award

2016

Featured in the AIGA PGH365 show for a poster addressing dating violence on college campuses and an experimental book inspired by the podcast Serial.

Communication Arts — Award of Excellence

2016

Featured in the 2016 Communication Arts Typography Annual for a motion graphics animation celebrating the work of Eric Gill.
