## Quick Start Guide

With Classkick, you can track the progress of all your students and provide them with help right when they need it!

### 1) Create a paperless assignment

Share the class code with your students by writing it on the board or posting it to your class website.

Create New Roster

Class Name

Have your class join with this code:

**EXAMPLE123**

### 2) Observe the learning

Monitor students as they work at their own pace and see their responses.

Amanda	$2x$	$\frac{a}{b} \triangle 2x$		
Samuel	$2x$	$\frac{a}{b} \triangle 2x$	42	
Katie	$3x$			

### 3) Help your students

Write feedback or customize Quick Feedbacks with stickers and points.
