

COUNTY DIRECTORY

In the next few pages, you will find an alphabetical, county-based directory of the following key services: crisis services, human services department and local NAMI affiliate (if applicable).

In Wisconsin, county human service departments are typically the first point of contact with public mental health services.

If you are not sure which county you live in, please call NAMI Wisconsin at 1-800-236-2988. If you do not have a permanent address, you can still receive services from the county in which you currently reside.
