

Week of Compassion

THANKFULNESS

As many of you celebrate Thanksgiving this week, Week of Compassion gives thanks to God for you and for your continued support. The many ways in which you partner with us help to create a feast of compassion, hope, and justice at a table where all of God's children have a seat. We are grateful for the ways you continue to help change lives and offer hope to the most vulnerable people within your communities and around the world. Your partnership throughout the year not only enables families and children to have food on the table, but to be able to dream and build a better world.

Thank you.

May your holiday season be filled with peace.
