

What is the Circle of Compassion?

Disciples congregations are invited to join the “Circle of Compassion,” an initiative designed to strengthen the work and witness of the gospel through Week of Compassion now and into the future.

Our Goals:

- To have 100 Disciples Congregations establish a named fund of at least \$10,000 in the Week of Compassion Endowment Fund with the Christian Church Foundation.
- Once the fund is established, distributions of income will be made annually to Week of Compassion from the fund “in perpetuity,” providing a legacy for present and future mission. The distribution will also be credited to the congregation’s regular Week of Compassion giving, thus increasing each year the congregation’s annual support of Week of Compassion.

We invite you and your congregation to consider joining the “Circle of Compassion.”
