

# Phytodiuretic-11

## DESCRIPTION

A comprehensive natural product containing scientifically studied compounds in the area of fluid balance.

## FUNCTIONS

Phytodiuretic-11 is an all-natural product containing several herbs and nutritional compounds that have been studied for their potential to help promote healthy fluid balance in the body.

## INDICATIONS

Used with the approval of a qualified health professional for relief of minor fluid accumulation. The presence of edema may indicate kidney or cardiovascular (heart) disease. Unexplained and/or untreated edema (fluid accumulation) should be brought to the attention of a medical physician or other qualified health professional immediately. This formulation is contraindicated (should not be used) in pregnancy.

## FORMULA

Phytodiuretic-11 is a comprehensive synergistic formula containing vitamin, mineral and herbal supports including: vitamin B-6, potassium (chloride), Dandelion (4:1 concentrate), Green Tea (50% extract), Cranberry 30% extract), Juniper Berry (4:1 concentrate), Apple Cider Vinegar (35% extract), Corn Silk (herb powder), Paprika (herb powder), Watermelon (herb powder).

## SUGGESTED USE

As a dietary supplement, take one (1) to two (2) capsules daily.

## SIDE EFFECTS

May potentiate the effects of prescribed diuretics and promote mineral balance/ and/or dehydration. Use under the supervision of your physician.

## STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
