Case closed, in favor of created cosmos
Hard line you draw for divine design
You believe in power, You believe in knowledge
You believe in His presence

But do you believe that He loves you, He loves you?
Do you believe that He loves you, He loves you?

To forgive every sin is offensive
A love so furious a stumbling block
You believe in knowledge, You believe in power
You believe in His presence

But do you believe that He loves you, He loves you?
Do you believe that He loves you, He loves you?
Do you believe that He loves you, He loves you?
Just as you are right now, somehow
