The answer for every question
Balm for every wound
Rising Sun, Anointed One
Faithful and True
Desire of every nation
Ache in every heart
Behold the Lamb, the Son of Man
and Perfect Son of God

Lily of the Valley,
Among a curse of thorns
the Dayspring, Glorious King
Our beautiful Lord
A river through desert
Down pour in a drought
A fountain in the wilderness
That springs up from the ground

The long expected Messiah
Now with us, Immanuel
That we may see, the Nazarene
The Hope of Israel
Man of grief and sorrows
Who gave up His body and blood
Bread of life, sweetest wine
Our beloved one

The Word of God in color
The Father revealed to us
The only way, the highest name
Jesus, Jesus, Jesus
