

WHEN I'M WITH YOU

I ain't got no joy when I'm on my own, when I'm on my own
I ain't got no joy when I'm on my own, when I'm on my own
But when I'm with you I dance in the kitchen and I laugh myself awake

I ain't got no life when I'm on my own, when I'm on my own
I ain't got no life when I'm on my own, when I'm on my own
But when I'm with you my heart beats, my lungs breath deep
and every day is spring

I ain't got no peace when I'm on my own, when I'm on my own
I ain't got no peace when I'm on my own, when I'm on my own
But when I'm with you my whole world can spin and I can't even feel a thing

I ain't got no hope when I'm on my own, when I'm on my own
I ain't got no hope when I'm on my own, when I'm on my own
But when I'm with you I bet everything I have on everything you say

Yeah when i'm with you every day is spring, the world spins I don't feel a thing
I laugh myself awake, bet all I have on everything you say

BRIGHTEST DAY

You are the finest feast, you're the sweetest drink

You're my happiest thought, my favorite song

You're my wildest dream ever come to be

You're the shining moment, yeah, on my brightest day.
