Summary of changes made:

1. The descriptive name of the POLST form has changed to "Portable Orders for Life-Sustaining Treatment."
2. "Suffix," "Preferred Name," and "MRN (optional)" have been added.

Section C

1. The Artificially Administered Nutrition section has been removed and the section is now "Documentation of Who Was Present For Discussion."
2. Additional options for documenting discussion have been added.

Section D

1. The "opt out" option has moved to its own line.

Please note that the 2019 Oregon POLST Form will be a white form with a pink border.
