STUD ANALYSIS

First season at stud in 2014

PEDIGREE

Ato's G2 winning dam Another Legend is kinbred 3x3 Garden Clubber x Bonnie Kiltie (grandams of her sire and dam). Main contributors to the kin-breeding are their respective dam Locust Time and sire Duc de Fer, both by Spy Song, and close kin. This relationship is echoed in Ato's sire Royal Academy, whose dam Crimson Saint is by Crimson Satan, a son of Spy Song, and close kin to the two other Spy Song offspring.

SUITABLE LINES for Ato could include Spy Song, notably through Crimson Saint and Locust Time. The latter is dam of Liloy and granddam of Rambo Dancer. Crimson Saint is grandam of Storm Cat (widely represented in SA through sons, notably Giant's Causeway who is sire of Atso Gr3 placed half brother Another Giant) and of Overlord. Crimson Saint is third dam of Goldkeeper. Spy Song also appears in the female line of Camden Park (sire of Jay Peg), whose 3rd dam Who's To Know is very close kin to Bonnie Kiltie and Garden Clubber (noted above).
